公司的质量方针：开拓创新，规范管理，追求品质，满足顾客

### 正在建设中的新厂房

### 竭诚欢迎您的合作，愿我们携手并进共创美好未来！

Sincerely welcome your cooperation,  
Hope we can create brilliant future hand in hand.

## Company Introduction

### 公司简介

Zhejiang Hengwei Electronics Technology Co.,Ltd. Is a professional manufacturer and exporter specializing in engineering machinery electronic control system products, which was established in 1997. The buildings area take up 12000 square meters.

The company is implements management philosophy of continuous improvement in personnel development, technology specialization and manufacturing systems into every aspect. So that it can continuous improve management level, technology level to entrance company's development.

浙江恒威电子科技有限公司创建于1997年，占地面积12000平方米，是一家从事工程机械电子控制系统产品生产的专业公司。

公司把人性化、专业化、国际化的管理理念注入企业的每一个环节，不断提升企业的管理水平，技术水平，促进公司的不断发展。

公司积十余年产品研发生产之经验，不断创新发展，目前拥有油门电机、电磁阀、传感器等三大系列30多种机型200多个品种，并在不断研发中.....

多年来，公司坚持“开拓创新、规范管理、追求品质、满足顾客”的质量方针，不断满足顾客的需求和期望，2002年通过ISO9001：2000质量管理体系认证，2005年获得自营出口权。公司生产的工程机械电子控制系统产品已批量进入国内、国际市场，深受国内外用户的青睐和认可！

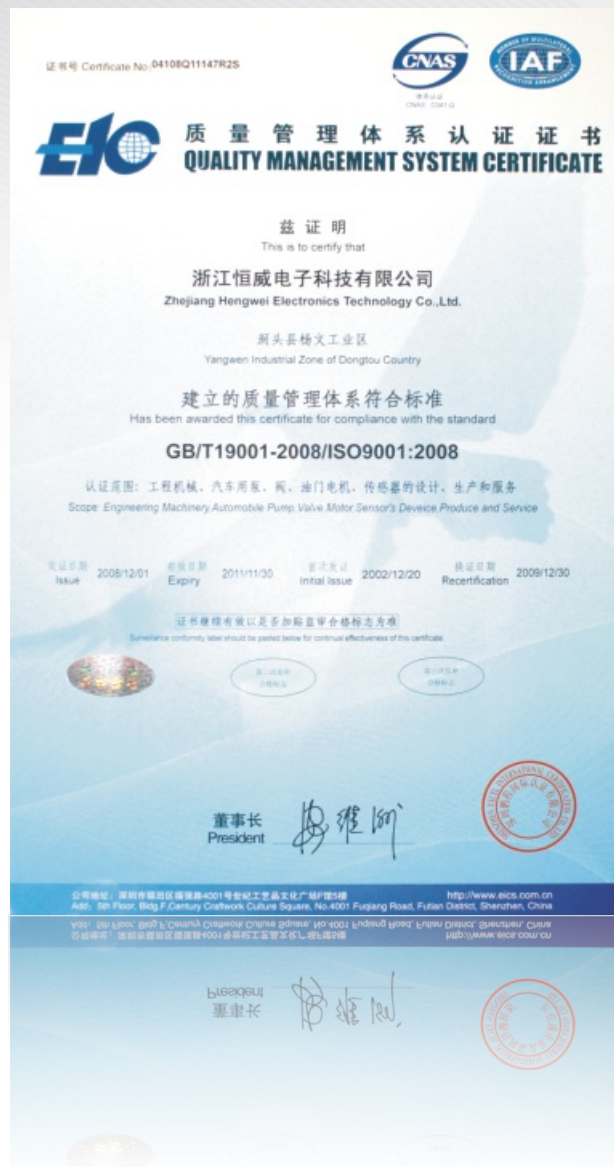

With manufacture experience of ten years, We have been persistently devoted to researching. Nowadays, it owns three series of motor, solenoid valve, sensor of more than 200 specications, its product can be applicable for over 30 types of vehicles.

For many years, the company persist in quality policy of "pioneering and innovative, standardized management, pursuing quality, satisfying customer", so as to satisfy customer's requirement and expectation. In 2002, it passed ISO9001:2000 quality system certificate and gained export right in 2005. The series product of electronic control system enter into home and international market in bulk, which are deeply favored and recognized by costumers.

## 品质控制

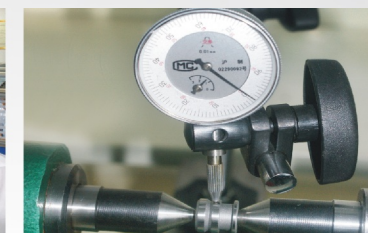

多年来，恒威人以自己辛勤的汗水赢得了众多鼓励，在以后的征程中，我们将再接再厉，再创辉煌！

Over the years, Hengwei people have won numerous encourage and gained good comments from the customers and counterparts. During the following journey, Ruiming people will make more efforts to creat brilliance.

产品设计 Product Design

机加工检验 Machining Test

精密加工 Precision Machining

精密切削 Precision Cutting

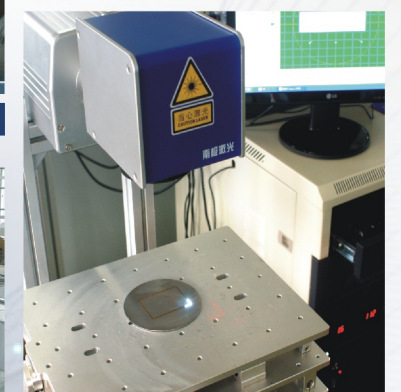

精密磨削 Precision Grinding

装配生产线 Assembly Line

在线检测 Line Detection

激光切割 Laser Cutting

根据具体的需要，我们为客户提供各种专业的配套零部件，它们质量稳定，所有这些都只需较短的时间即可完成。在公司内部，每一位员工都拥有严谨的工作态度，他们视产品质量为生命，站在用户的角度思考问题，这种深植于人心的质量意识，是公司产品品质的可靠保证！

According to specific needs, we offer customers a variety of professional support components, which quality is stable, all of which will be completed in short time. Within the company, every employee has a strict work attitude, they are considering product quality as life, standing problem of the user's perspective, this deeply rooted in the hearts of the quality of consciousness is a reliable guarantee of the quality of our products!

## Sales network

### 营销网络

恒威始终坚持以诚信聚集市场，  
以领先的质量和完善的售后服务满足客户需求。  
公司产品主要销往东南亚、欧洲、北美市场及国内市场，  
广泛应用于工程机械领域。

Hengwei satisfy the clients demands by insisting the belief of  
"Gathering market by honesty, leading quality and complet service".  
The products are mainly sold in domestic market and  
exported to Southeast Asia, Europe, North America and US.  
The products are widely used in constructing project.

本公司还可以为您提供：  
齿轮泵、机油泵、控制阀、水泵。

The company also can supply gear pump,  
control valve, water pump and oil pump.
